Choose your favorite shade to bring new life to your kitchen, bathroom and even your mood, in just 5 easy steps!

SAVE:
Time - Money - Hassle - Mess
with **JUST ONE** amazing product!

TRANSFORM YOUR SPACE IN 5 EASY STEPS

- Step 1 Thoroughly clean the vertical tiles and joints with a cleaner and sponge.
- Step 2 Using a brush, apply **Smaltolux Hydro Tile Reno Paint**, appropriately diluted, to the joints.
- Step 3 Apply the first coat to the entire surface.
- Step 4 Allow the surface to dry for 6-8 hours to prepare it for repainting.
- Step 5 Complete the process by applying the second coat.
