Product Data Sheet

Ink Remover

M850-2015

.65 oz. stick

Product Description: Ink Remover is a product specifically made to remove recent ink marks or lipstick stains from topcoated leathers or vinyl surfaces. "Recent" is defined as 3 – 5 days. Removal becomes increasingly more difficult with time. Permanent markers contain solvents to increase the penetration of the dye and will not likely be removed.

Characteristics:

Physical state: Heavy paste

Package life: Maximum 1 year from date of manufacture, must be kept in the original package.

Storage: Protect from freezing. Store above 40° F.

HMIS:

Health: 1

Flammability: 1

Reactivity: 0

Personal Protection: B

Specifications:

Leather type usage: For topcoated leathers or vinyl surfaces.

Pre-test: Prior to use, apply the Ink Remover in a hidden area to make sure no color is lost or darkening occurs after drying. If so, discontinue use.

Directions: Rub the product directly over the spot a few times, allowing 30 seconds for the ink to dissolve. Once you see the ink start to dissolve, use a soft lint-free cloth to wipe away both the Ink Remover and ink mark. For stubborn stains, a second application may be needed. Never rub the leather aggressively with the cloth because this can cause

discoloration. If ink is not removed easily, discontinue use. After removal of ink, clean the leather with Mohawk Leather Cleaner to remove all residues.

Routine care: Leather Cleaner and Leather Protector should be used regularly for cleaning and protection.

Safety cautions: Contents are Non-Flammable. Do not ingest. Wash hands thoroughly after using. Keep container closed when not in use. Do not transfer contents to other containers for storage. Use only in a well ventilated area. Avoid contact with eyes, skin and clothing. Avoid breathing vapor.

KEEP OUT OF REACH OF CHILDREN.

MSDS: If Material Safety Data Sheet is requires, contact:
